

IRTG 2235 “Searching for the regular in the irregular:  
Analysis of singular and random systems”

2019

## Seventh Bielefeld - SNU Joint Workshop in Mathematics

February 26 – March 1, 2019

Center for Interdisciplinary Research, Bielefeld

### Organizers

Moritz Kassmann (Bielefeld)  
Panki Kim (Seoul)

A scientific event of the IRTG 2235.  
More information:  
[irtg.math.uni-bielefeld.de/workshop2019](http://irtg.math.uni-bielefeld.de/workshop2019)

### Block Course

**Claudio Landim: Potential Theory  
and Metastable Markov chains**  
February 21, 22 and 25, 2019, at 10 am  
Bielefeld University, Room V2-210/216

### Support

Limited financial support is available for  
female young researchers, see  
[irtg.math.uni-bielefeld.de/workshop2019](http://irtg.math.uni-bielefeld.de/workshop2019)

**Bielefeld Seoul**  
International Research Training Group 2235
